

**VISA ACCOUNT UPDATER (VAU) SERVICE
A NEW ENHANCEMENT FOR YOUR CCCU DEBIT CARD**

Enjoy automatic updates of payment information when you get a new or reissued card.

VISA has required all financial institutions to participate in their VAU Service.

Visa Account Updater (VAU) is an account updating service in which your Centex Citizens Credit Union Visa Debit Card is automatically enrolled. When your Visa Card expires, is lost or stolen and a new card is issued, the VAU service may update relevant card data (card number and expiration date) to appropriate merchants who participate in VAU. This service provides updates to a Visa database only. The database is accessed by those participating merchants seeking your account information after you have requested they process a recurring payment or payments. This service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments. Recurring payments are any payments you have set up with a merchant for automatic payments using your debit card.

It's automatic - there's nothing you need to do to initiate this service. The Visa Account Updater (VAU) Service will provide you with a seamless transition when your CCCU Visa debit card expires or is replaced. However, it is important to know that the VAU enhancement does not relieve you of the obligation to ensure that merchants have your correct card information on file for reoccurring payments, as not all merchants choose to participate in the program.

You, a Centex Citizens Credit Union VISA Debit Card holder, have the option to opt-out of this service if you do not want your information to automatically update. If you wish to Opt-out of the VAU service please complete the form below including all debit cards associated with the account and return to one of our offices nearest you, or mail to:

**Centex Citizens Credit Union
P.O. Box 1252
Mexia, Texas 76667**

If you have any questions, please call one of our offices for assistance.
